

02/04/2004." Claims 2-22 were not cancelled in the transmittal of February 4, 2004. In fact, the Office Action of November 28, 2007 acted on claims 2-22. Applicants believe that the Notice is a clerical mistake by the U.S. Patent and Trademark Office ("USPTO"). The Notice provides the name of Dawn Brewer (Legal Instruments Examiner) at telephone number (571) 272-4331. Two voice messages were left for Dawn Brewer at the aforementioned telephone number to clarify the situation but no response was received. Accordingly, since claims 2-22 were not cancelled, Applicants respectfully request that the Amendment of May 28, 2008 be acted on by the USPTO.

No fees are believed due. If there are any the fee(s) due the USPTO is hereby authorized to charge any fee(s) or fee(s) deficiency or credit any excess payment to Deposit Account No. 10-1250.

In light of the foregoing, the application is now believed to be in proper form for allowance of all claims and notice to that effect is earnestly solicited.

Respectfully submitted,
